Meet ZOLEO®, the affordable accessory that extends your smartphone messaging coverage to everywhere on Earth and provides a safety system you can count on. Use ZOLEO with your smartphone for seamless global messaging, SOS alerting, location sharing, unlimited check-ins and hyperlocal weather forecasts.

\$209 MSRP

-  200+ hours of battery life
-  Dust- and water-resistant (IP68)
-  Shock-resistant (MIL-STD 810G)

What makes ZOLEO the better satellite messaging solution? Only ZOLEO:

Includes a **dedicated ZOLEO SMS number and email address** that contacts can recognize and use to reach you

Offers **progressive SOS** which provides continuous updates throughout an emergency for added peace of mind

Supports **long messages of 900+ characters** (app-to-app) versus 160

Offers **the best value for your dollar** with a lower device cost and more messages included

Provides **superior water resistance** and a dust- and shock-resistant design

Facilitates **easy sharing** of the device with other users

Offers **Medical Assist**, the industry's first 24/7 non-emergency chat service for medical advice and assistance

Allows you to **configure message-check interval** to optimize for messaging experience (with shorter interval) or battery life (with longer interval)

With ZOLEO, being off-the-grid doesn't have to mean being out of touch – or leaving your sense of security behind.

Andrew Skurka
Hard-won insights from out there

“ZOLEO messaging experience is better in every way.”

“I really like the simplicity of ZOLEO. I like the cost of the hardware and it seems like a pretty cool piece of kit. I'll continue to use this.”

“Pleasantly surprised as ZOLEO holds its own at a much lower price point than other satellite communicators. (Team review)”
